Fun Run

- **Scheduled Dates:** July 12-15
- **Description:** Even though AiM is virtual this year, please register to join us in your hometown for an exciting 5k run or 1-mile walk between July 12-15, 2020. Participants can choose their own route, and are encouraged to take photos or videos from their run/walk and submit their finish time via Challenge Hound. If you have an account with Strava, the data will be recorded automatically. We would love to see your running selfies on social media by tagging ASABE YPC and using #virtualypcfunrun2020! All Fun Run entry fees will be donated to American Food Bank initiatives. We look forward to having you join us for fun and fitness!
- **Cost:** A donation of $20 is suggested for the charity, or you can designate another amount when you register. Registration is required.
- **Type of Event:** Virtual event via Strava/Challenge Hound and Social Media

**CPD #5: Agricultural and Biological Engineering Data Handling**

- **Scheduled Time:** Tuesday, 1:00 – 3:00 ET
- **Presenter:** Sushant Mehan, Ph.D, Postdoctoral Scholar, Ohio State University
- **Description:** This workshop will highlight the basics of data science with R, including data mining and data cleaning, how to best interpret and visualize agricultural and biological engineering data, as well as some high-level machine learning/deep learning packages.
- **Type of Event:** Zoom Live
YPC Social
- **Scheduled Time:** Monday 7/13 at 7:00 – 8:00 PM ET
- **Description:** This is an opportunity to meet other young professionals, but this event is open to anyone who would like to join us! We will have trivia, games and challenges to get the conversation started.
- **Type of Event:** Zoom

YPC Business Meeting
- **Scheduled Time:** Tuesday 7/14 at 5:30 PM – 6:30 PM ET
- **Description:** Join us for the Young Professional Community Business Meeting to discuss YPC programming throughout the year and at AIM. Come to learn how the YPC can better serve you and the 35 and younger community, and learn about what leadership opportunities are available.
- **Type of Event:** Zoom - live meeting

Grad Student/Dept Head Meet & Greet Breakfast Social
- **Scheduled Time:** Monday 7/13, 10:00 – 11:00 AM ET
- **Description:** This networking event is meant to connect late-career graduate students with department chairs/heads as well as senior faculty members to discuss opportunities for future research and/or faculty position openings. This is a YPC sponsored event, open to all graduate students as well as interested faculty members.
- **Type of Event:** Zoom - live meeting

Grad Career Development Lunch in Learn (with EOPD)
- **Scheduled Time:** Wednesday 7/15 at 12:00 – 1:00 PM ET
- **Description:** An invited panel of esteemed members of our society with different academic and professional backgrounds will share their experiences with current and future graduate students. Topics will include successful graduate program elements, mentoring, remote working and impacts on research, practices programs have adopted, and other implications from the pandemic. Panelists include faculty and grad students. Come prepared with your questions about graduate opportunities!
- **Type of Event:** Zoom - Live panel and Q&A

FE/PE Information Session
- **Scheduled Time:** Tuesday 7/14 at 9:00 – 10:00 AM ET
- **Description:** Studying for a Fundamentals of Engineering or Professional Licensure Exam? Or just have questions about Professional Licensure? ISB, YPC and PEI, bring you an opportunity to ask our panel of registered Professional Engineers questions and get answers related to the FE or PE exam and professional practice.
- **Type of Event:** Zoom with a 30 minute pre-recorded session followed by a live Q&A period with 2-4 panelists

Student Awards Showcase
- **Scheduled Time:** Wednesday 7/15 at 11:00 – 11:30 AM ET
- **Description:** The Association of Equipment Manufacturers (AEM) and the American Society of Agricultural and Biological Engineers (ASABE) invite all ASABE student members to attend this session to recognize student achievements and learn more about the profession.
- **Type of Event:** Live Showcase of awards
